

Hands

Your hands are God's hands.
God sent Jesus to show you his human form
Jesus showed you multiple acts of caring, giving and healing.
Jesus no longer walks on earth beside you.
But God has given you the ability and shown you the way
To care. To give. To heal
You are His hands.
This water is a symbol of your baptism
A reminder that God did not stop simply by showing you but
offered the HOLY SPIRIT to dwell within you
To Empower you
You are God's hands.
You have the power to care. to give. to heal
I invite you to come.
Receive a blessing of your hands.
God's hands
